Measuring guide

	Pony	Cob	Full	X-Full
Crown piece	30 - 34	32 - 36	34 - 38	36 - 40
Noseband	48 - 56	54 - 62	60 - 68	60 - 73

All measurements are in cm.

To pick the correctly fitting size for your horse, find the measurements below for your horse.

Crown piece: Measure from the bottom of one ear to the other ear. Pick the crown piece size which fits with your measurement.

Noseband: Measure the circumference of your horse's nose two fingerwidths below the cheekbone. Pick the noseband which fits within your measurement.
