If one of your body measurements is on the borderline between two sizes, order the smaller size for a tighter fit or the larger size for a looser fit.

If your body measurements for hips and waist correspond to two different suggested sizes, order the one indicated by your hip measurement.

Waist and hip measurements must be taken directly on the body.

WAIST: measure where the waist is narrowest.

HIP: measure where the hip is fullest.

INSEAM LEG LENGTH: choose your wanted inseam length.
