Browband sizes

Measured from end to end, excluding special shapes.

Shetland:	35 cm
Pony:	38 cm
Cob:	40 cm
Full:	42 cm
Extra Full:	44 cm

How to pick the right size

The easiest way is to measure a well fitting browband. Should this not be possible, measure from ear to ear where the browband would sit and pick the size which is a little larger than that.
